

1. NEW! GOVERNMENT FUNDED OPTION FOR COMPANIES:

The Leadership and Management Advisory Service are providing funding for small and medium sized businesses to support their development.

Eligibility

All businesses must meet the following criteria:

- Between 5 and 249 employees. This applies to the whole company, not an individual site.
- Private, franchise, public or voluntary bodies.
- Have not benefited from Leadership and Management grant funding since April 2006.

Grant Funding

- Up to £500 for leadership and management activity is available to support owners / senior managers in eligible organisations.
- A further £500 is available on a matched funding basis.
- VAT is not included in the funding and is to be paid for by the company.
